

SPRING OF LIFE SCHOOL
Training Future Leaders in a Godly Way

Our Vision:

“Building a total child with confidence; maximizing his/her God given potentials at fulfilling destiny”

Our Mission:

- To provide complete and qualitative education, to help children in preparing them for adult lives.
- To ensure that children are brought up to have passion for excellence and determination for success.
- To train future leaders to appreciate and live by moral values for a better future.
- Equipping our children to become valued members of wider community, so as to enable them deal with changes or experience through their life time.
- Creating awareness of the effect of National and global communities activities on the planet in the nearest future.
